Top secret arena gate combo for CEA members only: [Join to get it!](#)

Our May and June events were hampered by weather and the dreaded EHV-1 disease. Every horse owner that followed due diligence and respected the requested quarantine of our horses due to the EHV-1 are sincerely thanked and appreciated. That due diligence contained the disease and we are able to further enjoy our equestrian events. You may view the information on the virus at http://www.cdffa.ca.gov/ahfss/animal_health/equine_herpes_virus.html

What's New:

The new trail obstacle bridge is complete and ready for use and is placed just south of the trailer parking area.

CEA has authorized a new 4 foot gate to be placed along the right side of the arena up near the front so everyone will now have access to the arena from a front side gate!

In addition, this fall we will be placing two additional steel hitching rails; one near the round pen and the other near the dressage arena.

CEA needs member volunteers to lock and unlock gates for public access. The gates are unlocked on Tuesday mornings then locked on Thursday late afternoons. If you are willing to take a 30 day shift to help us with this; Please call VP, Marisa Robson at 519-5717 for more info.

Our goal this year is to involve more members in planning, assisting, and enjoying CEA events. We encourage your involvement and ideas. Please call Donna Mathis 345-5353.
