**Donna: Discussion on shrubbery, poison oak, weeds along arena and other traffic areas. Our responsibility is to maintain the arena grounds, but we need to present to Dan and the City any changes in grounds. The berm areas, fall within a possible City responsibility since they were placed there by Park workers . Still need to present a plan. Signs should be good to go, but we may get help from the City on that as they will be replacing and adding new signs around the park.**

**\*\* Chico Parks/financial cutbacks affecting use of Park areas within gates and with restrooms. Possible closures of weekday uses and limiting to Fri./Sat./Sun. CEA will need to get involved now. They are trying to get this in before July.**
