

Chico Equestrian Association

June 9, 2015

Minutes

Meeting was held at Book Farm in Durham.

Guest speaker/trainer was Nattie Book

Due to unexpected winds, the guest speaker/demonstration was delayed and held after the business meeting.

Meeting called to Order: 6:12 pm by Lorie Brooks

Minutes: Minutes were not read as Rae still had them.

Treasurer Report: Sent to all board members. Deni motioned to approve, Skip second. All approved.

Committees: Donna reported on scholarships. A picture was sent to the ER and will be posted in the community news section.
No membership updates

Planned events: Lorie reported that the cowboy dressage went well, and Nonni Largeant may do another if the interest is there.
A desensitizing clinic will take place in the fall. Dates to be announced.
Skip will work on the details for another Drakesbad ride and stay at the St. Bernard Lodge.

Old Business: Fence posts are still in the ground around the oak tree in Bidwell Park arena grounds.
Reports came in that the weeding was very minimal this year. We will take a look at another option for next year.

New Business: Kathleen Woodard reminded us that CEA is having it's 25th anniversary this year. Suggested planning an event in the fall to celebrate. Maybe even participate in the Paleo art run in Chico.
Discussed the no parking signs cost and placement in the park. This may help equestrian visitors stay out of small parking spaces not designed for trucks and trailers. City said costs would run around \$200.00. It was suggested we pay or help pay the costs for these signs.
Donna made a motion to approve \$210.00. Deni second. All approved.

Announcement: No meeting in July. Next meeting Aug. 11th at Tammy's house on Keefer.

Meeting Adjourned: Motion by Donna to adjourn, second by Sue. Approved.
