Old Business: WE need members to step up and run for office on the board. Elections are just a few months away. We need to fill President, Vice Pres. Secretary and Treasurer.

We still have a problem in the dressage arena with puncture vine. Lorie will contact Linda at the City about eliminating it.

New Business: Deni suggested we gather information about favorite places to ride. Especially areas to camp with your horse. Add the info to our newsletter & website. Best info is personal experience.
